You were recently sent a Notification of Commitment Adjustment Letter informing you of the need to recover funds from you for the Funding Request Number(s) (FRNs) listed on the Funding Commitment Adjustment Report (Report) attached to the Notification of Commitment Adjustment Letter. A copy of that Report is also attached to this letter.

The balance of this debt is due within 30 days from the date of this letter. Failure to pay the debt within 30 days from the date of this letter could result in interest, late payment fees, administrative charges, and implementation of the "Red Light Rule." The FCC's Red Light Rule requires USAC to dismiss pending FCC Form 471 applications if the entity responsible for paying the outstanding debt has not paid the debt, or otherwise made satisfactory arrangements to pay the debt within 30 days of the notice provided by USAC. For more information on the Red Light Rule, please see "Red Light Frequently Asked Questions (FAQs)" posted on the FCC website at http://www.fcc.gov/debt_collection/faq.html.

If the Universal Service Administrative Company (USAC) has determined that both the applicant and the service provider are responsible for a Program rule violation, then, pursuant to the Order on Reconsideration and Fourth Report and Order (FCC 04-181), USAC will seek recovery of the improperly disbursed amount from BOTH parties and will continue to seek recovery until either or both parties have fully paid the debt. If USAC has determined that both the applicant and the service provider are responsible for a Program rule violation, this was indicated in the Funding Commitment Adjustment Explanation on the Funding Commitment Adjustment Report.

If USAC is attempting to collect all or part of the debt from both the applicant and the service provider, then you should work with the applicant to determine who

will be repaying the debt to avoid duplicate payment. Please note, however, that the debt is the responsibility of both the applicant and service provider. Therefore, you are responsible for ensuring that the debt is paid in a timely manner.

Please remit payment for the full "Funds to be Recovered from Service Provider" amount shown in the Report. To ensure that your payment is properly credited, please include a copy of the Report with your check. Make your check payable to the Universal Service Administrative Company (USAC).

If sending payment by U. S. Postal Service or major courier service (e.g. Airborne, FedEx, and UPS) please send check payments to:

1075 Loop Road

Funding Commitment Adjustment Explanation:

After a thorough review, it was determined that the funding commitment for this request must be rescinded in full. During a review, it was determined that funding was provided for the following ineligible items: Redundant Bogen Quantum Multicom equipment. The pre-discount cost associated with these items is \$28,133.94. At the applicants 90 percent discount rate, this resulted in an improper commitment of \$25,320.55. FCC rules provide that funding may be approved only for eligible products and/or services. The USAC web site contains a list of eligible products and/or services. See the web site, www.usac.org/sl/about/eligible-services-list.aspx for the Eligible Services List. On the SPAC Form, the authorized person certifies at Item 10 that the service provider has billed its customer for services deemed eligible for support. Therefore, USAC has determined that the service provider is responsible for this rule violation.
